

Database from the book

**Uwe Struempfel**

**THERAPIE DER GEFUEHLE**

**Research findings on Gestalt therapy.**

2005; 434 pages; ISBN: 3-89797-015-5

Website: [www.therapie-der-gefuehle.de](http://www.therapie-der-gefuehle.de)

Readers can use the following table to make a targeted search for material published under a specific keyword. A total of 432 empirical studies, from single case descriptions and analyses to complete studies, are included in this systematic collection.

The original table in the book contains the full year references, so that the sources can be searched for in the list of references.

<b>Parting at the end of therapy</b>	Chu ( - - - - ) Müller-Ebert ( - - - - )	several case reports several case reports
<b>Abortion</b>	Buckles ( - - - - )	several case reports
<b>Aggression</b>	Moran et al. ( - - - - ) Schmoll ( - - - - )	N=56, n=28 single case study
